What is a Delegate?

The Delegate Assembly shall be the legislative body of the Association and shall consist of one delegate from each of the school boards holding active membership in the Association. Each such school board shall designate, prior to the Annual Conference, its official delegate and shall certify such delegate to the executive director at least ten days prior to such Annual Conference. Such delegate shall be entitled to vote upon all matters submitted to the Conference as the sole representative of the Board of School Trustees, and only the accredited delegate shall be entitled to vote.

Delegate Assembly

ISBA Registered Delegates are to report to Wabash Ballroom 1-3 to receive their conference materials. Confirm with your local school superintendent as to who is designated as the official delegate.

Certification Awards Program (CAP)

School board members attending the Fall Conference will receive 20 core CAP points.

Certification Renewal Units (CRU's)

ISBA has been approved as an eligible sponsor of programs awarding CRU's for educator license renewal in Indiana. CRU forms may be obtained Tuesday morning from the ISBA registration personnel to be completed and returned after the 2nd General Session on Tuesday. Participants must attend the full Conference in order to receive 3 CRU's.

Exhibitor Sponsored Luncheon

The Exhibitor sponsored luncheon is scheduled at 11:30 a.m. in exhibit Hall D & E on Monday, September 27. One complimentary ticket is issued to each paid participant.

Meal Tickets

Two meal functions require the purchase of tickets – Tuesday Presidents' Breakfast (Con. Center) and the Tuesday luncheon at the Marriott Hotel. Pre-ordered meal tickets will be included in the registration packet. Additional tickets may be purchased at the ISBA registration desk.

Presidents' Breakfast

A special session designed specifically for board president development – Presidents' Breakfast/Panel Discussion – is scheduled on Tuesday, September 28, 7 a.m., room 123-124. Following the breakfast, a resource panel of board members, who are or have served as a board president, will field audience questions pertinent to the school board presidents' role and responsibilities. Only a board president or designee may register. Only one board member per school corporation may attend.

Association Aisle

The Association Aisle is a selection of non-profit organizations that will showcase a wide variety of programs and services. The Association Aisle will be set up at 8:00 a.m., Tuesday, September 28 outside Rooms 101-110. Show your support by visiting the various representatives.

The conference is an excellent opportunity for board members and superintendents to gain information that is vital to the operation of a school corporation. It also provides the opportunity to discuss questions and problems with other individuals from across the state and get their perspective on how to deal with them. Take advantage of this learning experience.

You will be glad you did!
