

The School Board of Craig County Public Schools invites applications and nominations for the position of Superintendent.

The County

Craig County is a rural county located in the western portion of the Commonwealth of Virginia, situated north of the City of Roanoke. As of the 2010 census, the estimated population of Craig County was 5,030, and the county covers a land area of 330 square miles.

One notable feature of Craig County is the large amount of land that is covered by the Jefferson National Forest, which comprises nearly two-thirds of the entire county. The forest includes portions of the Appalachian Trail, providing ample opportunities for outdoor recreation such as hiking, camping, and nature watching.

The Division

Craig County Public Schools is in rural Virginia, serving a total of 475 students across three schools. McCleary Elementary is the largest school in the district, with 200 students in grades K-5, while Craig County Middle School serves 103 students in grades 6-8, and Craig County High School has 172 students in grades 9-12.

The mission of Craig County Public Schools is to instill a love of learning and prepare students to become responsible, contributing members of society. The district's vision is to provide a challenging and rigorous educational program that promotes the development of critical thinking, creative thinking, communication, collaboration, and citizenship. More information about the district can be found on their website at www.craig.k12.va.us.

The school district employs a total of 113 staff members, including both professional and support staff. The district has a graduation rate of 81%.

The operating budget for Craig County Public Schools is \$7,882,340 which is used to fund programs and initiatives to support student learning and success.
