

GOSHEN COMMUNITY SCHOOLS
BOARD OF SCHOOL TRUSTEES
RESOLUTION NO. DCCLXIII (773)
RESOLUTION OPPOSING THE EXPANSION OF VOUCHERS

WHEREAS, the Indiana General Assembly during its 2021 legislative session is considering House Bill 1005, Senate Bill 412, Senate Bill 413, and other bills that establish education savings accounts (ESAs) and/or expand vouchers.

WHEREAS, the Board of School Trustees has determined that the Indiana General Assembly should not enact education savings accounts, or expand vouchers, and should continue to promote and fully invest in Indiana's public schools, more specifically,

- To further the public good, public funds should be invested in improving the schools designed to serve all children and to aid in improving Indiana public school teachers' salaries as recommended by the Governor's Teacher Compensation Commission in its report of December 14, 2020.
- Indiana already has school choice in the form of open enrollment, enrollment in virtual online schools, and the Choice Scholarship program.
- Public schools are required to operate in an open, transparent way with all expenditures and decision-making. Nonpublic schools are not held to that same public standard.
- Legislators should reduce the over-regulation of state and federal bureaucracy that hinders the ability of local schools to innovate and be responsive to parent and community needs.

WHEREAS, the cost of education savings accounts is covered exclusively by our state's school tuition support fund, further providing fewer public dollars to fund our public schools and increase teacher's salaries.

WHEREAS, the Board of School Trustees believes that public schools provide a strong educational environment for Indiana's children and education savings accounts, if enacted, would put this environment at risk by directing resources away from those schools to nonpublic schools that are not subject to the same rigorous scrutiny for their use of taxpayer resources.

NOW, THEREFORE, be it resolved, the Board of School Trustees of Goshen Community Schools opposes the passage and signing of HB 1005, SB 412, SB 413 or any other bill expanding vouchers and/or creating Education Savings Accounts.

Approved this 24th day of February, 2021.

Mr. Bradd Weddell, Board President

Ms. Amanda Qualls, Board Secretary
