

JOB POSTING—South Montgomery Community School Corporation

What: Principal

Where: Southmont High School

Qualifications: Experience preferred but not required, Indiana Administration License or ability to obtain licensure

Compensation: 260 day contract with extremely competitive salary and compensation package based on experience and qualifications

Closing: Preference will be given to applications received by Friday June 10, 2022

What we are all about

Southmont High School has an outstanding experienced teaching staff of approximately 40 teachers and is known for a tradition of excellence in education. Southmont High School has approximately 500 students and offers many educational and extracurricular opportunities for our students including a newly constructed CTE facility.

What we are looking for

Southmont Schools is looking for a dynamic educational leader for our high school. We are seeking a highly passionate professional servant leader to help grow our students, staff, and community. We are looking for a relationship builder who will always do “what is best for kids” and also collaborate, communicate, and build trust with our teachers and staff. Finally, our candidate will be of the highest integrity, be able to respectfully hold critical conversations, and provide opportunities for professional growth.
